Guaranteed Renewable Up to Age 100

As circumstances change, you may need to extend your insurance coverage for your family. No matter what period of coverage you need, this plan provides the most flexible benefit terms as it is guaranteed renewable every five years up to age 100.

Within Reach

Because this is a pure protection plan, you and your family will enjoy financial security for the lowest initial outlay. Should you need to extend your coverage for a further five years, the premium

will be adjusted according to your age at the date of renewal.

Guaranteed Convertibility

Term insurance can be converted into a designated permanent life insurance plan whenever it makes good sense to do so. This is a very valuable feature if sickness or accident means you are unable to buy a permanent plan before age 60 – or may do so only at higher rates. The right to convert without a medical examination is guaranteed.

Important Information

Premium Payment Term and Benefit Term

If the plan is a Basic Plan

The premium payment term and the benefit term are up to age 100 of the Insured. If the premium is not paid before the end of the 31-day Grace Period from such premium due date, all coverage under the policy will be terminated.

If the plan is a supplementary benefit attached to a Universal Life Plan

The premium payment term and the benefit term are up to (1) age 100 of the Insured, or (2) the end of the premium payment term for the basic plan to which the supplementary benefit is attached, whichever is earlier. If the Cash Value of the basic plan is not sufficient to cover the monthly charges (including the cost of supplementary benefits) and no premiums are paid before the end of the 31-day Grace Period from such premium due date, the policy will lapse and all coverage under the policy will be terminated.

If the plan is a supplementary benefit attached to a Non-Universal Life Plan

The premium payment term and the benefit term are up to (1) age 100 of the Insured, or (2) the end of the premium payment term for the basic plan to which the supplementary benefit is attached, whichever is earlier. If the premium is not paid before the end of the 31-day Grace Period from such premium due date, an Automatic Premium Loan will be triggered. If the overdue premium plus any existing loan balance exceeds the Maximum Loan Limit of the basic plan to which the supplementary benefit is attached, the policy will lapse and all coverage under the policy will be terminated.

Termination

If the plan is a Basic Plan

The policy will be terminated when one of the following events occurs:

- On the Benefit Expiry Date
- The Grace Period ends
- The policy owner submits a written request to terminate this policy
- The Insured dies

If the plan is a Supplementary Benefit

The supplementary benefit will be terminated when one of the following events occurs:

- On the Benefit Expiry Date
- The policy owner submits a written request to terminate this supplementary benefit
- The basic plan to which this supplementary benefit is attached terminates or becomes paid-up or converts to Reduced Paid-Up / Extended Term Insurance
- The Insured dies

Premium Adjustment

The policy will be renewed at the expiration of each 5-year term period for another term upon receipt of the payment of the premium in accordance with the premium rate in effect of the same plan at the then attained age of the Insured on the date of renewal. YF Life Insurance International Ltd. ("the Company") reserves the right to change the premium on each renewal at any time, and notifies you the related changes by giving you a written notice no less than 30 days prior to each policy anniversary. The major factors to consider for premium adjustment include, but not limited to, the claim experience of the Company and expenses.

Inflation Risk

Where the actual rate of inflation is higher than expected, the policy owner might receive less in real terms even if the Company meets all of its contractual obligations.

Credit Risk

This plan is underwritten by the Company. The insurance benefits are held solely responsible by the Company and subject to its credit risk.

Key Exclusions

If the Insured commits suicide, whether sane or insane, within one year from the Policy Date, our total liability shall be limited to the premiums paid. If the Insured commits suicide, whether sane or insane, within one year from the effective date of any addition in Basic Sum Insured, our total liability with respect to such addition will be limited to the premiums paid for such addition.
